Definition of Terms

Manufacturing Site:

The location where the manufacture of a health product is carried out.

Manufacture, in relation to a health product, means to make, fabricate, produce or process the health product and includes —

- (a) any process carried out in the course of so making, fabricating, producing or processing the health product; and
- (b) the packaging and labelling of the health product before it is supplied

Product Owner:

in relation to a health product, means a person who —

- (a) supplies the health product under his own name, or under any trade-mark, design, trade name or other name or mark owned or controlled by him; and
- (b) is responsible for designing, manufacturing, assembling, processing, labelling, packaging, refurbishing or modifying the health product, or for assigning to it a purpose, whether those tasks are performed by him or on his behalf

Registrant:

in relation to a registered health product, means the person who applied for and obtained the registration of the health product under the Health Products Act

Supply

in relation to a health product, means to transfer possession of the health product by any means whether or not for reward, and includes the following:

- (a) to sell the health product, whether by retail, wholesale or auction;
- (b) to expose or display the health product as an invitation to treat;
- (c) to transfer possession of the health product by exchange, gift, lease, loan, hire or hire-purchase;
- (d) to supply the health product in connection with —
 - (i) a contract for the provision of any goods or the performance of any service; or
 - (ii) any advertising, sponsorship or promotional activity;
- (e) to supply the health product by way of administration to or application in any person in the course of any diagnosis, treatment or test;
- (f) to offer, agree or attempt to supply the health product in any of the ways described in paragraphs (a) to (e) or to cause or permit the health product to be so supplied; and
- (g) to keep or possess the health product for the purpose of supplying it in any of the ways described in paragraphs (a) to (f)
